Packages & Prices

Memorial Video DVDs created using the online Tribute Creator Software process.

DVD Package A: \$79.00

Includes up to **20** photos arranged and authored onto DVD. Includes personalized case cover artwork, a streaming web video of the tribute that can be embedded onto your website and duplication rights to the funeral home for additional copies with no royalties due back to us.

DVD Package B: \$109.00

Includes up to **30** photos arranged and authored onto DVD. Includes personalized case cover artwork, a streaming web video of the tribute that can be embedded onto your website and duplication rights to the funeral home for additional copies with no royalties due back to us.

DVD Package C: \$129.00

Includes up to **40** photos arranged and authored onto DVD. Includes personalized case cover artwork, a streaming web video of the tribute that can be embedded onto your website and duplication rights to the funeral home for additional copies with no royalties due back to us.

DVD Package D: \$149.00

Includes up to **50** photos arranged and authored onto DVD. Includes personalized case cover artwork, a streaming web video of the tribute that can be embedded onto your website and duplication rights to the funeral home for additional copies with no royalties due back to us.

Oversized Projects: DVDs that are over the included number of photos are priced at 5.00 per additional picture. Oversized projects may require additional editing time.

Copy Protection: Ensures that you are the only source for additional copies. Available to all packages additional 25.00 per project.

No Compete Agreement: Want to remain the only Funeral Home in your area who has the ability to use our services? Compile a no-compete list for 250.00 per blocked account / per year.

All package prices are based upon a credit card payment structure where we bill you for each video upon the time of service; monthly billing is available for an additional fee of \$20.00 per video added to the selected package price.
